AoC Reviews

The Affirmation of Commitments contains specific provisions for periodic review of four key ICANN objectives:

1. Ensuring accountability, transparency and the interests of global Internet users;

2. Preserving security, stability and resiliency of the DNS;

3. Promoting competition, consumer trust and consumer choice;

4. Whois policy.

Current Status

1. Ensuring accountability, transparency and the interests of global Internet users; Review Team 1 launched in April, active

2. Preserving security, stability and resiliency of the DNS; Call for Applicants to Review Team 2 open until 15 July

3. Promoting competition, consumer trust and consumer choice; Review Team 3 to be launched one year after New gTLD round

4. Whois policy. Call for Applicants to Review Team 4 open until 15 July

Call for Applicants

ICANN invites interested individuals to apply for the position of volunteer Review Team Member.

- Call for both RT2 and RT4 applicants (launched 1 June);

- Solely intended for those who apply in representation of an ICANN Supporting Organization (SO) or Advisory Committee (AC);

- Candidatures to serve as independent experts will not be considered;

- Membership in more than one RT discouraged.
